Folkworks Hexham Gathering 2010

Folkworks Hexham Gathering takes
place from **Wednesday 26 May** to
Sunday 30 May this year .

Centred largely round our partner
organisation, Queens Hall in Hexham –
there are also events in other parts of
West Northumberland and a fabulous
weekend of free outdoor events in the
town centre on Saturday and Sunday.

If anyone has connections with young
bands or performers (school-based or
other) please tell them to get in touch
with us as we'd love them to come and
take part in the festival.

Participation is free and there are
also sessions, ceilidhs and concerts.
Members of Caedmon Folk and the
wider folk community have always been
a valuable resource acting as volunteer
helpers at Hexham Gathering events.
If you would like to be involved, please
let us know.

The line up of artists and venues is
currently being finalised and full details
will follow once all is confirmed.
